

## Lakeside Legends 15U Team Sponsor Program

Sponsor level commitment deadline: March 1, 2010.

Team practices begins November, 2009. Season begins June, 2010.

BatSpeed, a baseball and softball academy dedicated to the development of baseball/softball players, has created a new team. Help raise the profile of our area's talent with your financial support.

Traveling teams have considerable expense and the family of each team member must make a substantial financial commitment. By choosing a sponsorship, you will be helping this young player, his team, your business, and your community.

There is a sponsorship package that is right for you. Please choose one and **help create a Legend!**
